

# Between Heaven & Earth<sup>xx</sup>

**Set off to conquer outer space at the Euro Space Center and then visit the underground world at "Au Cœur de l'Ardoise". In a day, you can become both an astronaut of the future and a slate miner of yesteryear, in an unforgettable, yet enjoyable experience! And, while you're at it, why not pop over to Han-sur-Lesse to visit its famous caves, listed in the Michelin Green Guide to Belgium?**

## The Euro Space Center at Transinne

The only space centre in Europe, where you can find out about outer space and enjoy leisure facilities. Experience the daily life of astronauts and re-live the great moments of the conquest of outer space! Your journey into space includes a show-trail, the Space Show, the Space Heroes and other exhibitions.

*Guided tours or self-guided tours with audioguides from €9.50/person.*

## The caves at Han-sur-Lesse

Come and explore the mysteries of the underground world at the famous Han caves, a three-star attraction in the Michelin Green Guide to Belgium. The caves were formed by a combination of the River Lesse and rainwater. You can also immerse yourselves in the natural world in the splendid wildlife park which overlooks the caves.

*Combined ticket for caves and wildlife park from €29/person.*

## A gourmet snack or meal

### **“Sanglochon” farm at Verlaine**

The sanglochon is a cross between a wild boar and a pig, and its meat makes delicious ham that can be tasted during a visit to the sanglochon visitor centre at the farm.

*Free-of-charge guided tours with paid-for tastings.*
